*Thanksto you
lets keep moving on*

We feel grateful that in all these years, more than **10,000** children, parents and other family members, both from Nepal and Ecuador, have crossed our paths. Back in 2002, we couldn't even begin to imagine such a great achievement. We admire all those beautiful children and their families for their inspiration; for the opportunity to learn from their strength and perseverance.

We would like to thank our local teams in Ecuador and in Nepal: Elizabeth Arias, Javier Herrera, Belen Para, Diego Poma, Marco Ruano, Estibaliz Sandoval, Azucena Sisa and Lydia Vereschildt in Ecuador and Chooda, Rajan, Chabi and all the members of the Foundation's board in Nepal. Wonderful people, all doing their utmost, some of them even since the very beginning in 2002! Also, we would like to say a special thank you to Simon Koert, our dedicated former Treasurer and Ine Martens, our inspiring former Secretary & Chairman.

Throughout these past 15 years DCF has been able to support so many people thanks to all our wonderful sponsors. An enormous **thank you** for your enthusiasm and continuous interest, all through the admirable inspiration of God! Indeed, we feel blessed!
